### Action Taken and Reason

Based on the information provided to this officer from the Eastern District of California, Mr. Baker has been cooperative with probation and has not exhibited any violation conduct. He made restitution payments throughout his supervision term, with his most recent payment being August 21, 2015.

In light of the above, the undersigned respectfully requests that his supervision be allowed to expire with an outstanding restitution balance.

Pursuant to 18 U.S.C. § 3613(f), the liability to pay restitution shall terminate the later of twenty years from the entry of judgment or twenty years after the release from imprisonment, or upon the death of the individual. The U.S. Attorney can collect restitution until September 27, 2032. The offender has been directed to continue making payments to the United States Attorney's Office.

The Assistant U.S. Attorney has been notified and there are no objections.

Respectfully submitted,
